

‘The Employer Mentoring Programme has proved itself a valuable and rewarding experience for all involved, both students and mentors. Edinburgh Napier continues to offer a well-rounded programme of opportunities that together help students make the most of their time at university’
David Jarman, Lecturer

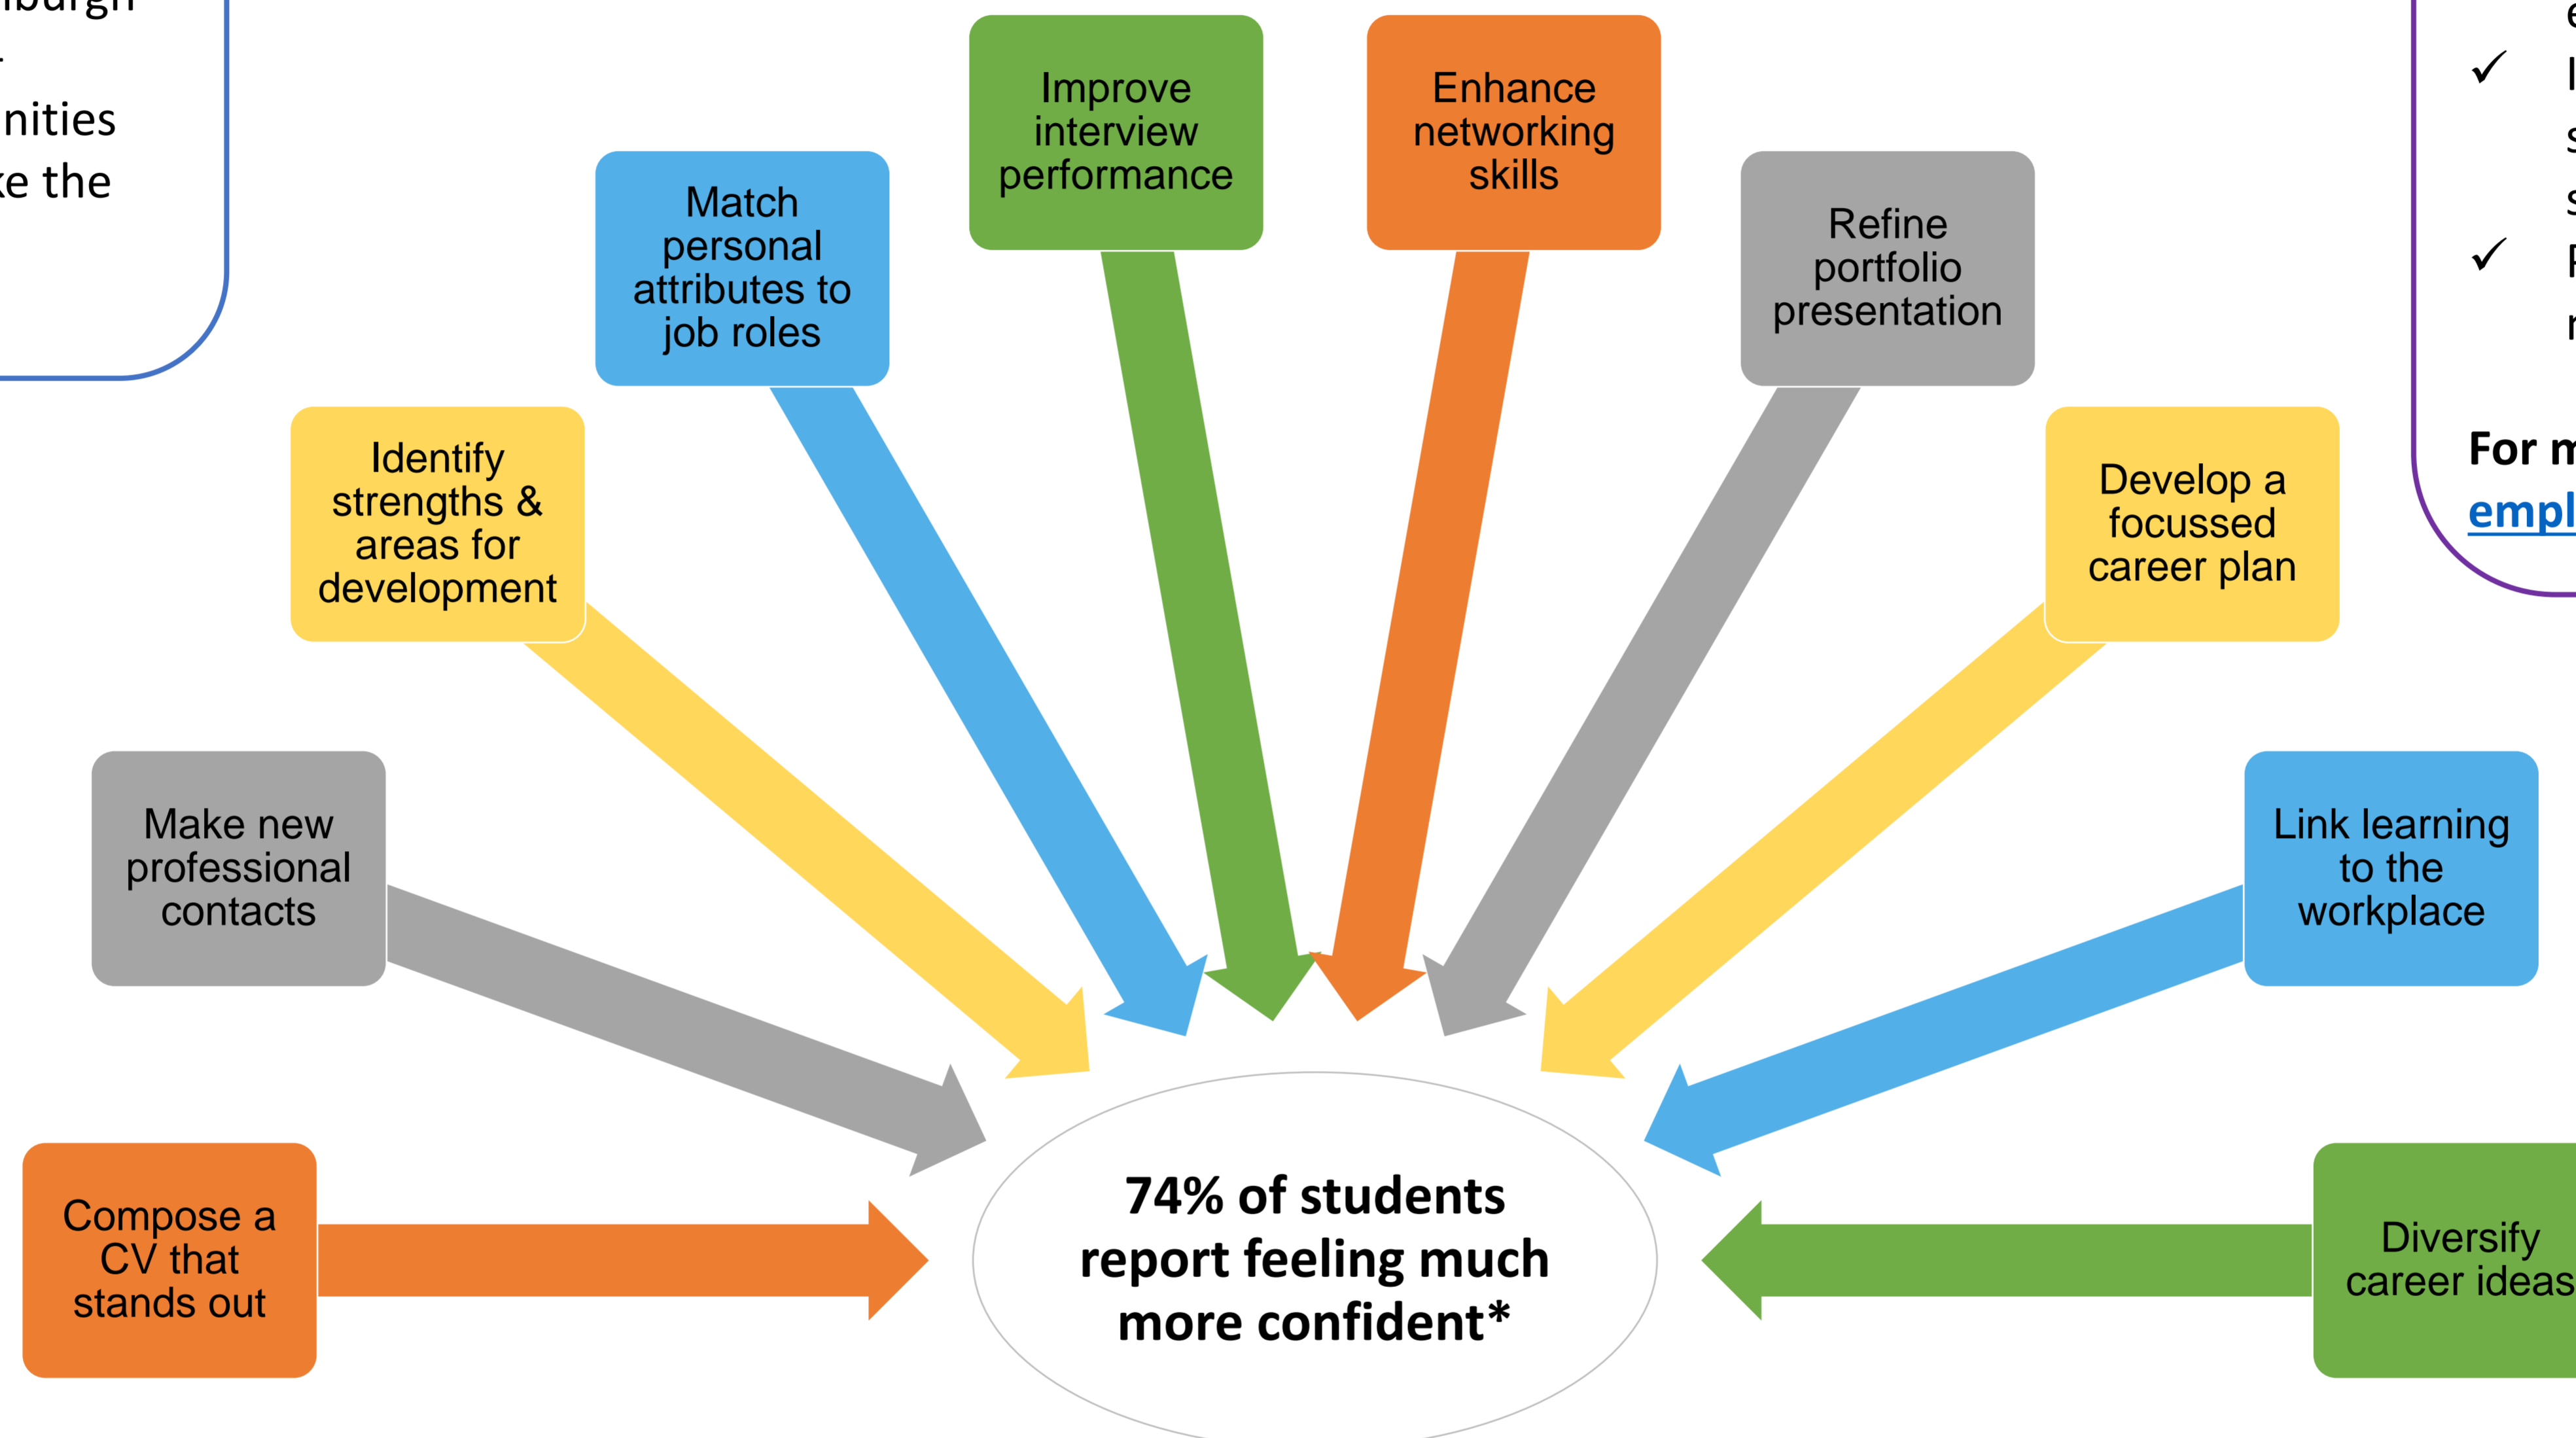

Employer Mentoring is an opportunity for students & professionals to explore the world of work, discuss career ideas, increase readiness for graduate employment and build confidence for the recruitment processes ahead.

How Can You Help?

- ✓ In your role ensure eligible students are aware of their entitlement to be mentored
- ✓ Invite the mentoring team to speak to your 3rd and 4th year students in weeks 1-3
- ✓ Promote mentoring to your own network of professional contacts

‘As a mentor on the Employee Mentoring Programme I have been impressed with the enthusiasm and dedication shown by Napier students. This is one way in which Napier University does a great job in proactively supporting students to build links with employers.’ **Robin Johnston, Historic Scotland**

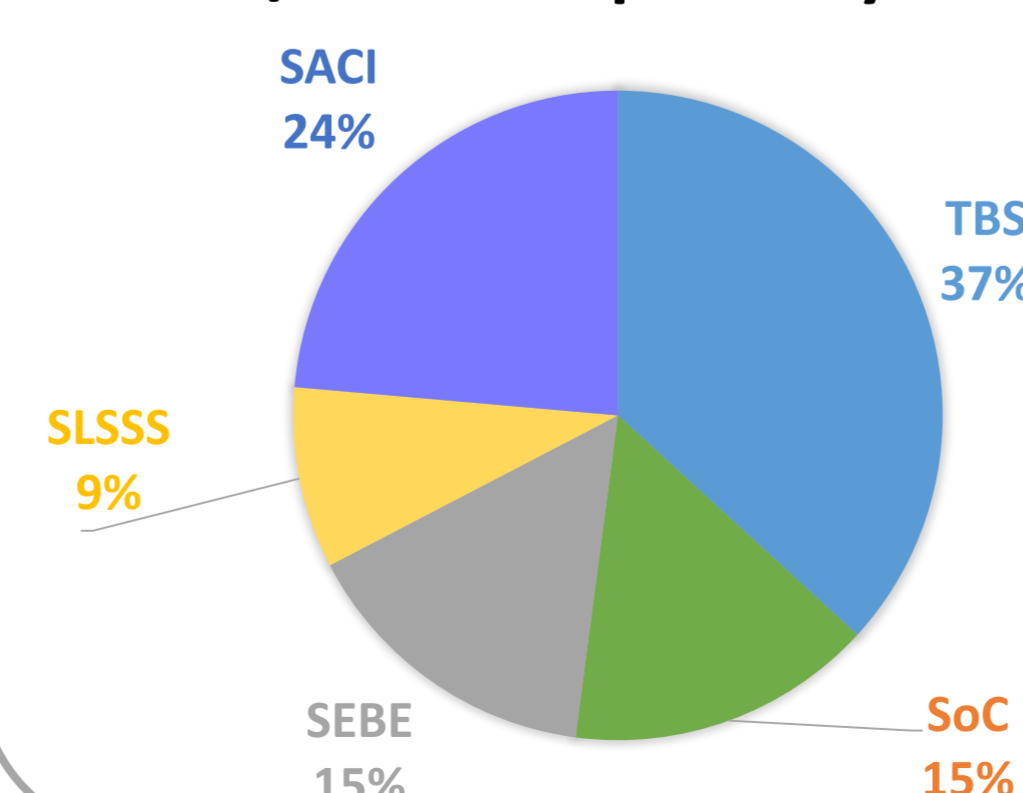

‘This programme is a fantastic way to learn a bit more about your chosen industry, gain some real-life experience, and make amazing contacts... all before you’ve even graduated!’
Kelly Barbour, Student
