

eSubmission of coursework

eSubmission of coursework: Routes 1 and 2

Assessment & Feedback

Information on assessment requirements, and marking criteria; coursework examples.

Route 1: Turnitin Assignment →

- written coursework only (Word, PDF, etc.)
- files must be less than 40Mb
- generates an 'originality report' (plagiarism)

Final Assignment: Maths & Cartography

Describe how map making has played an important role in the development of mathematics. You must submit a copy of your work to this assignment by the deadline. The originality of your work will be assessed using this version only.

Route 2: Moodle Assignment →

- accepts any file type (including zipped files)
- supports large file sizes
- integrated with online video and ePortfolio servers

Module Assignment: Cartography Drawing Techniques

Create a map of a historical countries from the list provided. You can use any of the professional map making tools and make sure you submit all the project files as these are part of assessment.
