

We're here to help you find the information and library resources you need.

See: [Staff Intranet > Library](#) or [myNapier>Library](#).

## Ask for an introduction

Our Subject Librarians support learning, teaching and research in the university. Contact your librarian and request an introduction to services available, and which databases/resources we have in your subject area.

See: [Staff Intranet > My Librarian](#).

## LibrarySearch

Use LibrarySearch to search across Edinburgh Napier University Library collections, including books, ebooks, ejournal articles and more.

[librarysearch.napier.ac.uk](http://librarysearch.napier.ac.uk)

If you can't find what you need in our libraries, you can use other academic libraries with the [SCONUL Access](#) scheme or request an [inter-library loan](#).

## Getting started

Here are some of the most useful pages for new researchers:

- [Training and Events Calendar](#) – All sessions and workshops coming up.
- [Subject Guides](#) - Guides for each subject's resources.
- [Reference Management LibGuide](#) – Using Endnote and Mendeley to organise your references.
- [Research Cycle](#) - Supporting you at each stage of your research.
- [Click and collect](#) – Get books before you arrive.
- [Postal Loans Service](#) – We can send books to you using Royal Mail.
