BUILDING SUCCESS THROUGH DIVERSITY & INCLUSION WOMEN IN ENGINEERING, CONSTRUCTION & PROPERTY

Date: Thursday 13th June 2019

Time: 10am – 12pm (followed by lunch until 1pm)

**Venue: Craiglockhart campus, Edinburgh Napier University, Edinburgh
EH14 1DJ**

We are delighted to invite you to our complimentary Diversity and Inclusion event, co-sponsored by Edinburgh & South East Scotland City Region Deal.

As the construction, engineering and property sectors look to support greater diversity and inclusion across the industry and proactively encourage the careers of women in these industries; this event brings together industry professionals, key stakeholders and ambassadors who are committed to help achieve these aims.

The event will include key speakers from these sectors who are actively championing the positive change we seek, including Talat Yaqoob, Director, Equate Scotland and Sean Smith, Professor of Construction Innovation & Director of ISC who will discuss future skills needs, following his findings from the recent government and industry working group he chaired during 2018-19

We hope you can join us for what will be an informative and inspiring discussion.
