

Edinburgh Napier University's 2nd Annual Solar and Wind Power Conference

Tuesday 15th March 2022 – 9.30am-1pm

Online - WebEx

Programme – “Global trends and developments in renewable energy”

- 09:30 Prof Tariq Muneer and Dr Firdaus Muhammad Sukki, Edinburgh Napier University: [Welcome and Host](#)
- 09:35 Prof Peter Andras, Dean, Schools of Computing and Engineering & the Built Environment, Edinburgh Napier University: [Welcome Address](#)
- 09:40 Dr Taizo Masuda, Toyota Motor Corporation, Japan: [‘Progress and prospects of vehicle-integrated photovoltaics and efforts at Toyota’](#)
- 10:10 Mr Elmie Fairul Mashuri, Managing Director, GSPARX Sdn Bhd, Malaysia: [‘Distributed Generation using Rooftop Solar by GSPARX Sdn Bhd’](#)
- 10:40 Mr Yusof Yusrizal, Managing Director, TNB Renewables Sdn Bhd, Malaysia: [‘Malaysia Renewable Energy Journey and Solar Development Models Around the World’](#)
-

11:10 **Comfort Break**

- 11:20 Dr Leonardo Micheli, University of Jaén, Spain: [‘Optimization and Economics of Large-Scale Photovoltaic Soiling Loss Mitigation’](#)
- 11:50 Prof Soteris Kalogriou, Dean of the School of Engineering and Technology, Cyprus University of Technology: [‘Renewable Energy Systems: Current Status in the World and Prospects’](#)
- 12:20 Dr Muhammad Wakil Shahzad, Senior Lecturer in Mechanical and Construction Engineering Department, Northumbria University, UK: [‘Solar Energy Storage and Application for Tri-hybrid Cycle for Future Sustainable Water Supplies’](#)
- 12:50 Closing remarks: Dr Firdaus Sukki
-

13:00 **Event closes**
