

A brief history of Andy Keba...

So, where next?

Step back and evaluate (Make sense of it all!)

Understand the context (What? There's more to transport than bikes?!)

Professional validation (Shrug off the feeling that I'm an Ecologist in disguise)

Build my network (Transport planning is a friendly, welcoming community)

Who knows, maybe I don't know everything

- Opportunity to apply knowledge and experience
- Knowledgeable and enthusiastic colleagues
- Diverse projects
- Route to professional recognition

Edinburgh Napier
UNIVERSITY

- Skilled teaching staff
- Engaging, rounded course content
- Understanding of the fundamentals
- Fellow students with wide perspectives
- Confidence!
- That little red logo means something out there

sustrans

- Passion for changing the way we travel
- Understanding the barriers
- Experience of some great projects
